**INSTRUCTIONS FOR PLAITING BOTH
3 & 5 STRAND WOGGLES.**

At Calliope Sea Scout Group all Cubs & Scouts are issued when invested, with an unplaited Woggle. It is the responsibility of both Cubs & Scouts to plait their woggles. On successful completion of the plaiting both Cubs & Scouts will then be a fully-fledged member of the Calliope Sea Scout Group. Normally only the three strand woggles are issued, but if a Cub or Scout wants the extra challenge then they can be issued with the five strand version.

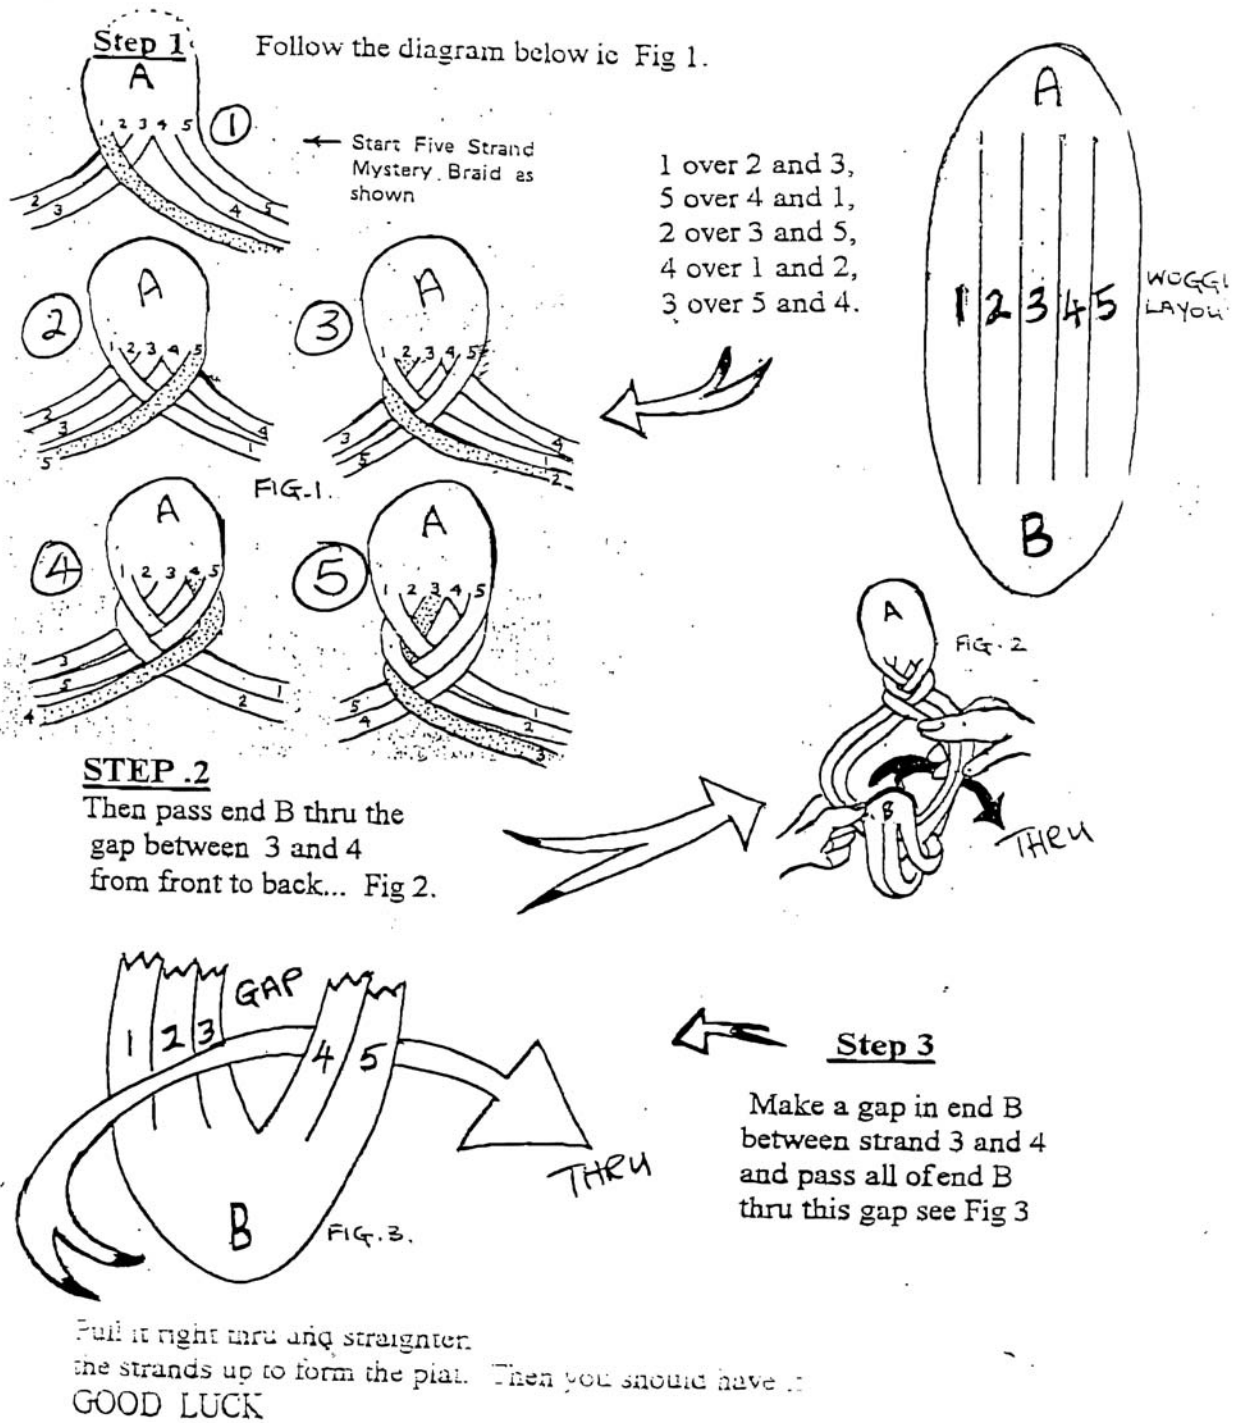

3 STRAND WOGGLE

1. Start with your woggle or strip of leather flat as in 1, then start to plait . . .
2. Take the right hand strand over the centre strand, then the left over the right as in 2. Holding the top in position, push the bottom completely through gap A. This will leave the strands twisted.
3. If you now push the bottom through gap B, everything should come right as in 4.
4. A bit of a twist and your woggle is complete.

Follow the above instructions and you will have a Perfect 3 Strand Woggle.

5 STRAND WOGGLE

Follow the above instructions and you will have a Perfect 5 Strand Woggle.

GOOD LUCK
